Steps to take

Step 1

Download from our website and read the **Wedding Help Book**. It will answer the most frequently asked questions and put you at ease with the general procedures at **Bean Town Réceptions**.

Step 2

Read **The Wedding Contract** carefully; fill in all the pertinent details. Make sure to include your full address and postal code as well as all available contact numbers for both of you. You must both sign the contract.

Step 3

Send **The Wedding Contract** and a payment in the amount of \$1,000.00 (non-refundable) payable to **Bean Town Réceptions**.

Step 4

Set a date with **Bean Town Réceptions** minimum 5 months before your wedding date or 2 weeks before you print out your invitations, whichever comes first. From this meeting, information will be gathered for **Bean Town Réceptions** to draw up an estimated invoice for you. Should you require monthly payment service please book this appointment at least 7 months before your wedding. 50% of the estimated invoice is due 6 months prior to your wedding.

Step 5

The week of your R.S.V.P. date, call **Bean Town Réceptions** to set up your final-details appointment. At this point there are to be no major changes. Be prepared to pay the balance of your estimated invoice one month before your wedding day.

Step 6

By the Friday of the week before your wedding, **Bean Town Réceptions** has been given the final guest count for the meal requirements. Make sure your suppliers have proper directions to **Bean Town Réceptions**. Make sure the photographer is aware of the timeline of your wedding to avoid any delays.

Step 7

Your rehearsal: We offer a free rehearsal Wednesdays & Thursdays between 9 am to 5 pm only (**a surcharge of \$100 applies to afterhours rehearsals**). You must allow 48 hours between your rehearsal and your wedding day. Please only invite the guests with pertinent duties to attend. It is not necessary for your officiant to attend and can just be the two of you. Refrain from bringing children. You must bring all items listed on the list emailed to you after your final meeting.

Step 8

The Big Day: Be here on time with your hearts filled and your large smile!

Frequently Asked Questions

Please note that the wording below is not completely gender neutral, but this is considered and tailored to your unique specifications. In the case of a GLBTQ wedding, one party is to be designated to arrive first and the second to arrive afterwards. Below, we have named them "I do crew" #1 & #2.

When should the groom arrive?

Groom and groomsmen/" I do crew #1" must arrive fully dressed an hour and a half before ceremony. Please park in the guest parking lot and go directly to the Chapel; give flowers and boutonnieres to the bridal attendant (if needed), then we will check you and your vehicle to the cottage. Any deliveries can be made between 9:00 and noon. Getting dressed on-site is not an option, but please feel free to utilize one of the included guest houses for this purpose!

Where do they go?

We will execute a quick refresher rehearsal on the day-of, afterwards, the chapel or ceremony site are the best places for the groomsmen. Our greeters will welcome the guest upon arrival, check names off guest list and instruct them where to drop off gifts and cards (we have a good locking card box), sign the guest book, and invite them to go on the carriage to the ceremony site.

Where does the bride go?

Bride and her bridesmaids/"I Do Crew #2" should be here 1 hour before ceremony and arrive through the delivery entrance, parking outside of the bridal room door. Five minutes before ceremony begins, we pick up bride and bridal party at patio door of main hall where they have been getting dressed and bring them to the ceremony site by carriage.

What do I need for the ceremony?

- Always invite guests a half hour before actual start time of the ceremony.
- Music: we have CD/USB players at all ceremony locations, but live music is always a lovely idea! Please provide us with a detailed song list containing the Title, track number, and what each song is to be used for.
- You must supply us with reserved name cards for the VIP row, flower girls' baskets, ring pillows, and any other such items.
- We will provide seasonally themed standard decorations: cedar benches, candles on fireplace, fire in fireplace (if weather permits). Shepherd hooks and lanterns for down the aisle and arch, signing table, tablecloths, Kleenex boxes, arches, and atmospheric music before ceremony.

What do I do for music?

Have music for processional (4 to 5 minutes), registry (7 to 8 minutes) and recessional (2 to 3 minutes) on a CD/USB. You must also provide Bean Town Réceptions with all the music for the special moments: Grand Entrance, Cake Cutting, First dance, dance with parents, garter belt and bouquet toss, etc.

How long is a regular ceremony?

Most ceremonies last 30 minutes after which the bride and groom have a private carriage ride with a complimentary beverage. Your photographer should then arrange group photo in front of ceremony site, when the couple returns we take picture and then move on to cocktail hour.

Where and what do we do for cocktails?

- We will serve your cocktail food selections during the hour and a half cocktail hour. For options, please refer to our menu.
- Cocktails are nice in the Pavilion – if weather does not permit, we will do the cocktail in the Chapel. We encourage you to try and enjoy your cocktail and guests for about 15 to 20 minutes before formal photos. This time will be made up for when we relocate guests into the main hall for dinner and speeches.
- We will have the music, food and bar set up according to your instructions and we will be taking care of your guests. This is good time to incorporate your signing book or album, have live music or just some culturally relevant music playing. Bring photos of yourselves and think of entertaining these guests while you are busy with pictures. They will be invited to take carriage rides throughout the property (weather permitting). Cocktail should be no longer than 2 hours.
- It is not mandatory to have a cocktail and you can save some time and money by going directly into the main pavilion for dinner. Cash, toonie, or open bars can be arranged. We also recommend serving vegetable, fruit and cheese trays at that time. Canapés are another elegant choice.

Do I have to make a chart for guest seating?

We insist on seating plans for all buffets and sit-down dinners, but it is not necessary to display it to your guests. When guest enters the dining room, waitress will escort guest to their seat according to the guest list and table setting forms you have provided.

What happens next?

- Your master of ceremony gives housekeeping rules, explains bar arrangements and your kissing game, the timing of the meal.
- Introduction of bridal party (not necessary) then a quick toast or blessing is a good oral queue for our servers to start. A 3 course meals or most buffets take approximately 1.5 hours.
- Guests must be moved to second event for clearing tables: outside for the first dance on the island or in the chapel, slide show in the chapel, group photo on patio, etc.
- Guests can return to main dining room for the evening dance.

When are the horse and carriage available?

From 30 minutes before the ceremony till all guests are back in dining hall.

What are the choices of tablecloths and linens?

Tablecloths are in white or ivory and linens are available in a variety of different colors. Silk options are also available.

How many people per table?

You can set your tables for 6 to 12 people across depending on the table size. We have 16 rectangular tables 72" x 30" that seat 6 to 8 people. We have 10 rectangular tables of 30"x 97" that seat 10 people and 6 tables of 30" x 120" that seat 12 people. We have two 60" round tables for 6 to 10 people, two 72" rounds for 8 to 12 people and a round 30" sweetheart table.

Can we invite more guests after dinner?

Yes, the capacity for sit down dinner reception is 150 guests in the Grand Hall. You can invite up to 100 more guests for the evening.

What is your smoking policy?

There is no smoking or vaping allowed in any buildings and under any covered area. Butt cans are provided throughout the property.

How much wine should I budget for?

We recommend that you budget for 2.5 glasses per guest. There are approximately 5 glasses per bottle. Our house wines are Ontario's Pelee Island, Barefoot and Chateau des Charmes. The cost is \$28.00 per bottle (tax included). There is a service charge of 15%. We serve wine to your guests so there is no need to worry about free pouring. We do our best to protect you and your guests from over consuming. Establish a total bottle served budget and we shall respect it.

Can we bring our own wine?

Yes. We accept 750ml bottles of wine from the LCBO only. These can be served during dinner with a corking fee of \$12.50 per bottle. Be sure you have enough options of both red and white!

What centerpieces are included?

- Oil lamps and tea lights are complementary. We have a variety of centerpiece options to choose from such as lanterns or log trios that you are free to use, or you may bring your own. We can also provide table numbers and mason jars for floral arrangements.
- Always nice to have one item play many roles: Nametag is also the wedding favors (frame, little pots, etc.). Our staff will be pleased to set up your tables with bonbonnières, etc.

What would be the perfect time to come and decorate?

Bean Town sets up for you; most couples only bring their personal items to add (favours, guest books, etc.) and go over all details for these items at rehearsal.
