Beau's All Natural Lug-Tread

Available year-round, Lug-Tread Lagered Ale is their award winning, flagship beer. It is hand-crafted with Spring Water and Certified Organic Malts & Hops. They brew this tasty golden ale and then lager it to create a beer like nothing else in Ontario.

Depuis 2006, Beau's All Natural brasse sa bière ambassadrice disponible toute l'année : l'inimitable Lug Tread Lagered Ale. Comme toutes les bières signées Beau's, la Lug Tread est brassée avec des malts et du houblon certifiés biologiques et de l'eau de source locale. Primée plusieurs fois et assez polyvalente, la Lug Tread vous accompagnera toutes les saisons et lors de n'importe quelle occasion.
